

You get two Word doc files. One containing a 4-up copy of the front of the card, shown on the top right, and one file containing 4-up copy of the back of the card, shown on the bottom right. Simply edit the postcards and either have them printed by a service like <http://OvernightPrints.com> or print them your self and have them copied on to 110 lb. card stock, and cut into 4 cards. Places like Office Max will copy and cut your cards for you.
